

§ 735.3a All facilities to be licensed or exempted.

All facilities within the same city or town used for the storage of cotton by an applicant for a warehouse license must qualify for a license and be licensed under the act if the applicant is to be licensed to operate as a cotton warehouseman in such city or town, unless the facilities which are not to be covered by a license are exempted by the Secretary or his designated representative upon a finding that, due to the exercise of adequate controls by some independent agency over the operation of nonfederally licensed facilities, there would be no likelihood of interchange or substitution of cotton stored in such facilities with cotton stored in the federally licensed facilities. If all such facilities do not qualify for a license or for an exemption under this section, the applicant shall not be licensed under the act as a cotton warehouseman in the city or town in which the facilities in question are located. Each applicant for a warehouse license must apply for a license covering all facilities operated by him for the storage of cotton within the same city or town or for exemption as provided in this section. If a licensed cotton warehouseman acquires any additional cotton storage facilities within the same city or town in which his licensed warehouse is located, he shall file promptly an application for a license or an exemption of the additional facilities. No cotton storage facility acquired by a licensed cotton warehouseman, subsequent to the issuance of his license, in the same city or town as his licensed facilities, shall be used for the storage of cotton until it qualifies for license and is licensed or is exempted as provided in this section. If any one of the licensed cotton storage facilities operated by a warehouseman in the same city or town becomes ineligible for a license at any time for any reason, it shall not thereafter be used for the storage of cotton until the condition making it ineligible is removed or an exemption is granted as provided in this section. The use for the storage of cotton by a licensed warehouseman of a facility which is in the same city or town as his licensed facilities and is neither licensed nor exempted, or other

violation of the provisions of this section, shall be cause for suspension or revocation of any license issued to the warehouseman for the storage of cotton.

§ 735.4 Grounds for not issuing a license.

A license for the conduct of a warehouse, or any amendment to a license, under the regulations in this part, shall not be issued if it is found by the Secretary, or his designated representative, that the warehouse is not suitable for the proper storage of cotton; that the warehouseman does not possess a good reputation, or does not have a net worth of at least \$25,000, or is incompetent to conduct such warehouse in accordance with the act and the regulations in this part; or that there is any other sufficient reason within the intent of the act for not issuing such license. If all the facilities operated for the storage of cotton by the applicant within the same city or town are not to be licensed under the act, the applicant shall not be licensed as a cotton warehouseman with respect to any of such facilities, unless an exemption of the facilities which are not to be licensed is granted as provided in § 735.3a.
